Welcome

Dear Industry Leader,

The European Society of Digital and Integrative Pathology (ESDIP) is organizing the 17th European Congress on Digital Pathology (ECDP2021), to be held online, days 17th and 18th of June 2021.

The ECDP is the annual meeting of the ESDIP and brings together pathologists, IT researchers, technicians, clinicians, students, and industry leaders.

On behalf of the Organizing Committee, we would like to apply for your support to this event, which is fundamental for its success. This support can take various forms.

We kindly ask you to let us know whether you would be willing to support this initiative and, if so, the desired type of support.

Thank you in advance for your support and please feel free to contact us in case further information is needed.

For the latest developments on the scientific program as well as all congress-related information, please visit us for updates at <https://www.ecdp2021.org> and follow us on Twitter at <https://www.twitter.com/ESDIPatho>.

We look forward to welcoming you at the 17th ECDP!

Best regards,

On behalf of the Organizing Committee

Catarina Eloy
President of ESDIP

EUROPEAN SOCIETY FOR DIGITAL AND INTEGRATIVE PATHOLOGY

Virtual Conference Center / Exhibition Space

ECDP2021 will take place at a virtual conference center that will be open for 24h during the entire congress. The virtual conference center is designed exclusively for the 17th European Congress on Digital Pathology and will offer all amenities of a real-world conference center and more including:

- Information desk
- Exhibition Space
- Poster Exhibition Space
- Break out areas
- Meeting rooms
- ... and a few surprises

All attendees will be able to enter the conference center in parallel and have their own dedicated avatar to walk around. When people are close to each other (see images below) an instant video chat is spawned so that people can say hi or chat with each other like in real world.
